SPONSORSHIP & INVESTOR PROPOSAL

FAB PADEL JUNIOR CHAMPIONSHIP 2026

FAB Padel Club, Jakarta Selatan

Prize pool Rp 10.000.000

01 · OUR VISION

DEVELOP INDONESIAN YOUTH PADEL

Padel is growing fast in Indonesia, but young players have few chances to train in a structured way and compete in tournaments made for their age.

FAB Padel Club wants to change that. Our vision is to find young talent early, give it proper coaching and competition, and build a pathway for juniors to become the country's future players.

The **FAB Padel Junior Championship 2026** is the first step. It is our first junior tournament and marks the **official launch of the FAB Padel Club Academy**, a long-term youth development programme at our club.

The tournament is being submitted for **sanction and supervision by PBPI**, the Indonesian padel federation, so it runs as an official, properly refereed junior event.
